NOVEMBER 2012
ANNO SOCIETATUS XLVII

Attention Caerthens!

The Fortress has a magnificent name just like the many magnificent castles that were fortresses throughout Europe. I want to picture a different Fortress, or portion of a fortress each month. Inside I will put a little history of the castle or portion of the castle displayed on our cover.

I ask for your help. If you have a drawing or picture of a castle that you took of a favorite Fortress that you care to share, please fill out the permission form located on the Baronial web site and forward that with the drawing or picture to me at Chronicler@caerthe-sca.org. Please contact me if you have any questions.

Jorunn nic Lochlainn

Fortress Cover Art

Master Evan Mawr made a clasp for the Baron's cloak when Sir Theodric ap Breken Beaken sat as Baron when Caerthe was still a part of Atenveldt back in 1982. The clasp depicted the Atedveldt sun over the Caerthe Fortress. He had skillfully cut a single turquoise nugget and set the pieces in brass to display the Atendveldt colors, (blue & gold).

Some years later, (about XXVII) Mistress Bernice of Brittany had co-ordinated the efforts of several seamstresses to make a second cloak for the Baroness. She'd asked me (Master Patrick of the Quietwood) to make a clasp for it. Since the Barons cloak was gold, and the Baronesses to be black, (Caerthen colors), it was made as a complementary piece to Master Evan's, done in Nickel-Silver and inlaid with ebony.

This clasp depicts the Fortress that is displayed on this month cover, compliments of Master Patrick of the Quietwood. Thank-you for a very valuable piece of Caerthen history with your Artwork.

This is the November A.S. XLVII (2012) issue of THE FORTRESS, published by and for the members of the Barony of Caerthe, SCA, Inc. It is available from the Chronicler. It is not a corporate publication of the Society for Creative Anachronism, Inc. and does not delineate SCA policies. THE FORTRESS may return any submission that mentions or implies anything illegal. THE FORTRESS may also return any item not in the spirit of the Current Middle Ages such as items not concerning the SCA and/or not of interest to SCA members. Submission deadline is the 15th of the previous month. Internal artwork by THL Wyndylyn is based on registered arms or badges for the various offices, unless otherwise noted. Fortress logo by Jessica Kasper. Please send changes/corrections to chronicler@caerthe-sca.org

OFFICER REPORTS

Seneschals Report

Greetings Unto The Populace of Caerthe,

As I write this there is snow laying upon my yard firmly indicating that the camping season is behind us. This means that the winter feasting, A&S, and indoor fighting season is here.

While we won't be having a Yule this year (we will still have our traditional Twelfth Night), there is still an opportunity to create your own Yule. That is, come to fighter practice even if you're not fighting. Come to populace meeting, even if you're not reporting. Come to archery practice even if you're not arching. Come to a cooks guild meeting even if you're not cooking or eating.

As I have learned, what most people enjoy about the SCA is the camaraderie. I assure you that you can find that camaraderie at the various happening in the barony. Many of your friends will be at these gatherings with a number of them coming simply so that they can say hello to everybody else there. Such gatherings may not be an official Yule, but they will offer the warmth and friendship that makes Yule what it is. I look forward to seeing you there!

It remains my honor and privilege to serve as your seneschal.

YIS,
THL Jethro Stille

Canton of Ravenhyrst October Meeting Minutes

The weather was beautiful on Sunday after a quite chilly taste of winter the previous day. I hope this finds you well. First of all I would like to extend a tremendous thank you to Lady Katrein and milady Sephare for responding to my call for assistance in planning an end of Summer gathering. It was short notice and they took a simple gathering and tried to offer a little something for everyone. While I was sad that so few people attended, I understand. I hope that we are able to increase attendance at future activities by providing better advance notice and also offering the types of activities that you are interested in.

We did hold a Populace meeting and there were several momentous announcements and decisions made. Please harken to these words:

Offices -

Web minister - I would like to first of all welcome Annika Hoglund as our new Webminister. She has graciously agreed to take over the maintenance of the Canton's Website from Lord Simon. They will be transitioning over the next month. Please contact her with any suggestions for the website using the webminister@ravenhyrst.org email address. I would like to say thank you to Lord Simon for his long service to the Canton in this capacity and wish him well with his other pursuits.

Exchequer - as announced by THL Jethro, Lady Hannah is stepping down effective 12/31. We are in urgent need of someone willing to take on this role - immediately, so that there is a transition time. This is one of the required offices for the Canton to be an official group. At the Canton level, the office requires little time, a working knowledge of Excel and basic bookkeeping (balancing a checkbook and understanding simple financial statements). If you are interested, please email me a simple letter of intent which includes your SCA history and any other qualifications you may have for the office. Please copy Their Excellencies, Hannah and Mistress Katriona, the Kingdom Exchequer. Both the Baronial Exchequer and I are able to assist with any training.

Chronicler - Lady Katrein has expressed interest in this position, but is not able to take up the office immediately. She will likely assume this office after she has fulfilled other obligations just after the beginning of the new year.

Knight Marshal - while the summer has ended, we are still in need of a Knight Marshal to take up the practices as weather permits and as the spring weather comes back to us. If you are interested, please send me a simple letter of intent which includes your SCA history and any other qualifications you may have for the office. You are not required to be a Knight, just an authorized fighter and field marshal. If you need further details on the position, please contact me.

Arts & Sciences Minister - while THL Medb is not stepping down, she is beginning her search for a deputy who would like to then take on the position.

We also agreed that we would, over the winter go to a quarterly meeting format. The next meeting will be in January.

Lastly, the date for rescheduling Raven's Faire has been agreed upon and approved. Raven's Faire in Venice will be held [on April 27, 2013](#). We are looking for someone to spearhead the food component. We are planning to do the a la carte menu throughout the day (changing courses). This will allow a team of multiple cooks rather than a single cook. We do still want someone to oversee the day. Please contact me or THL Medb if you are interested in this part or volunteering for any other RF component.

Yours in Service,
